**HAPPY FAMILY REUNION.**

Sons and Daughters of W. C. Winn (Special to The Times-Dispatch.)

Meherin, Va., August 19.—A happy reunion of the old family of W. C. Winn is in progress at his hospitable home, situated at Pleasant Grove, near here, in Lunenburg county, and as a result the commodious old mansion, which has for quite a number of years been exceedingly quiet, is gay with its former occupants.

Mr. Winn is the proud possessor of six living children, all of whom are married, and are as follows: Mrs. A. B. M. Fowlkes, of Cambridge; Mrs. H. C. Love, of Keyville; Mrs. Pearl Passmore, of Pleasant Grove; Mrs. William M. Herbert, of Richmond; Mrs. J. C. Abbott, of South Richmond, and E. L. Winn, of Lunenburg.

While the entire family is separated, none of them ever ceases to think of the old homestead, yet not since their young days have they all assembled together at their birthplace to spend a few days together with their parents, or as they call it now, a house party.

**Will Increase Capital Stock.**

(Special to The Times-Dispatch.)  
Roanoke, Va., August 19.—The Virginia Bridge and Iron Company, one of Roanoke's largest enterprises, voted to-day to increase its capital stock from \$300,000 to \$1,500,000. The increase is to take effect at once. This action is made necessary by rapid enlargement of the company's business in the past few years.

**Injured in Runaway Accident.**

(Special to The Times-Dispatch.)  
Winston-Salem, N. C., August 19.—John Moore was injured while returning here from a business trip to-day in a buggy. The horse was driven away, and in jumping from the vehicle, Mr. Moore dislocated his left ankle. The attending physician says it will be six weeks before his patient can be up.

**Will Survey for New Railroad.**

(Special to The Times-Dispatch.)  
Roanoke, Va., August 19.—A survey of a proposed railroad between Roanoke and Floyd Courthouse will begin to-morrow. Floyd county at present has not a mile of railroad within its borders.

**CAN WORK ONLY EIGHT HOURS.**

Government Law Interferes With Contract Made for Lynchburg Building. (Special to The Times-Dispatch.)

Lynchburg, Va., August 19.—The Federal law restricting a day's work to eight hours for all government contracts, caused a shutdown this morning on the new post-office building, when everybody was willing to work a full day, provided the government would permit.

Yesterday afternoon the work was stopped when eight hours was completed, and the men, who were called in at 15 cents an hour, are demanding \$1.50 for the day. They expressed a willingness to work ten hours, and the subcontractor, W. W. Hughes & Company, were willing, but the Federal law is not.

Therefore it will be necessary for the men to work on eight hours, and the subcontractor, having made the bid on a basis of 15 cents an hour for the labor, is bound to stick to that basis or lose money.

Eighteen men and six teams are affected, but it was stated this afternoon that the work would be resumed Monday morning, as new men will be employed if the ones at work yesterday do not return for their jobs.

**ATLANTA PARTIES GET OPTION.**

Will Build \$250,000 Hotel at Wrightsville Beach, N. C. (Special to The Times-Dispatch.)

Wilmington, N. C., August 19.—John Underwood and others, of this city and Fayetteville, who recently secured an option on the handsome Brazeland Cottage, of the Sol. Bear estate, on Wrightsville Beach, announced yesterday that they had concluded negotiations for a transfer of the option to G. G. Cotter and associates, of Atlanta, Ga., who announce that they have secured an option on adjoining property and on the site will erect a \$250,000 hotel for summer tourists. Graham Kanan represents the Atlanta capital, and it is understood that a stock company will be organized to build, own and operate the property. Further details are promised later, with the indication that the hotel will be completed in time for next year's business.

**Accidentally Shoots Himself.**

(Special to The Times-Dispatch.)  
Williamsburg, Va., August 19.—Frank Gray, the fifteen-year-old son of Frank Gray, Sr., accidentally shot himself while squirrel hunting near Ewell yesterday afternoon. The boy dragged the run over a log and discharged it, the load of No. 4 shot striking just below the elbow of the right arm. One bone was broken and the fish badly torn.

## STUART WILL OPEN HIS CAMPAIGN TO-DAY

All Political Eyes Focused on Gate City, Where  
Candidate for Congress in Ninth District  
Will Begin His Fight.

(Special to The Times-Dispatch.)  
Pulaski, Va., August 19.—All political eyes in this great Southwestern section of the State are focused to-day upon Gate City, the county seat of Scott, where, to-morrow, Hon. Henry Stuart, Democratic nominee for Congress in the Ninth District, and Hon. Joseph C. Wyser, of Pulaski, will launch the campaign for the Democratic nomination for Congress. The meeting of those in charge, the meeting is going to be a great success from every point of view.

The occasion will mark the real opening of the battle on the Democratic side, and the most profound and widespread interest centres in the speech of Mr. Stuart, as in it he is expected to sound the keynote of the struggle and to outline the policy of his party with reference to the issues on which the campaign shall be conducted.

Although the detailed arrangements for the meeting are not definitely known here, it is understood that the speaking will take place in the courthouse, beginning at 1 o'clock P. M.; that Hon. E. M. Carter, county chairman, will preside; that Mr. Stuart will speak first, and that he will be followed by Mr. Wyser, who is widely known throughout the State as the "Silver-Tongued Orator of the Virginia Mountains."

Mr. Wyser, "won his spurs" early in life as an able and profound lawyer, and his record in the recent Constitutional Convention was that of a brilliant orator and debater. Indeed, he has spent the greater portion of his manhood career in "spell-binding" juries and in captivating audiences on every subject.

and of the State Corporation Commission.

**Nothing to Fear.**

Neither upon these, nor upon any other questions which may be involved, has the Democratic nominee anything to fear, according to his supporters, and it is confidently believed throughout the district that he will easily demonstrate his capacity for taking care of himself in any emergency.

Mr. Stuart's friends declare that although he is not the kind of man who would invoke personal issues in a political campaign, yet if they are brought in by the other side he is not the man to avoid them, but that he will strike back "straight from the shoulder" and give the opposition "as good as it sends." In other words, though plainly the aggressor in the fight, it is believed he will defend himself and his party with his accustomed vigor and directness against any and all assaults which may be made by the opposition, provided they are deemed worthy of consideration.

The meeting at Gate City to-morrow promises to be a splendid success, and from that time until the battle of the ballots in November the contest will be fast and furious.

From Gate City Messrs. Stuart and Wyser will go to Tagwell Courthouse, where they will speak on Monday.

**Daughter Is Born.**

Redding, Conn., August 19.—A daughter was born to-day to Mr. and Mrs. Ossip Gabriowitsch at Stormfield, the home of the late Samuel L. Clemens (Mark Twain). Mrs. Gabriowitsch was before her marriage at Clara C. Clemens, eldest daughter of "Mark Twain."

**DROPS DEAD ON STREET.**

Prominent Roanoke Citizen Dies Suddenly From Paralysis. (Special to The Times-Dispatch.)

Roanoke, Va., August 19.—While crossing a street this morning, Slaughter L. Spencer, a well-known citizen, died. He was trying to reach his son-in-law, R. A. Fitzgerald, a prominent contractor. The cause of death was paralysis.

Mr. Spencer was sixty-two years of age. He was born in Nelson and lived here from early boyhood. He was a Confederate veteran and a Mason. Among his surviving children is Mrs. G. M. Boone, of Norfolk.

**WILL CONTINUE TWO WEEKS.**

County Institute, Attended by Forty Teachers, Meets at Wadesboro. (Special to The Times-Dispatch.)

Wadesboro, N. C., August 19.—Monday morning forty of the most widely-awake teachers of the county met in the graded school auditorium, where a two weeks' institute is being held for Anson county.

This is the first county institute held in this county since 1891, when Dr. E. A. Alderman, president of the University of Virginia, and Charles D. Mayo conducted an institute in the courthouse.

This work is under the guidance of Professor H. W. Allen, of Sanford, who is assisted by Miss Josie Doub, of Jonesboro. Professor Allen, who is superintendent of Lee county schools and the city schools at Sanford, has had considerable experience in institute work, and success as a school man. Miss Doub is at present principal of the Jonesboro Graded School, and is a young woman well equipped by experience, education and temperament for the work she is doing.

The conductors were aided two days

by Professor K. W. McIntire, of Wake county. Professor McIntire has an enviable reputation as an instructor in agriculture, the work that he is doing at a number of institutes throughout the State.

**Goes to Pasteur for Treatment.**

(Special to The Times-Dispatch.)

He carried with him the head of a cat by which he was severely bitten this week. The cat was driven from the house, where Mr. Witherspoon was bitten and was later found suffering with rabies. Mr. Witherspoon is much concerned about his own condition.
